

U.S. REPRESENTATIVE MO BROOKS

Proudly Representing Alabama's 5th Congressional District

U.S. SERVICE ACADEMY NOMINATIONS CLASS OF 2026

For more information, please contact Congressman Brooks' office:

Attention: Sandy Garvey, Service Academy Liaison
2101 West Clinton Avenue, Suite 302
Huntsville, Alabama 35805

MO BROOKS
U.S. HOUSE OF REPRESENTATIVES
Alabama's Fifth Congressional District

Dear Candidate:

Thank you for contacting my office regarding nominations to attend our nation's military service academies. Your decision to compete for an appointment to one of these institutions speaks to your high moral character and your selfless desire to serve our country. Due to the very limited number of candidates I can nominate to each service academy, I encourage you to contact both U.S. Senators Richard Shelby and Tommy Tuberville about their nominations process as well.

As your Congressman, I am able to award nominations to the Tennessee Valley's best students to attend the U.S. Military Academy in West Point, New York, the U.S. Naval Academy in Annapolis, Maryland, the U.S. Merchant Marine Academy in King's Point, New York and the U.S. Air Force Academy in Colorado Springs, Colorado. As you may know, a nomination to one of the service academies is a prestigious honor. The honor of attending a service academy comes with an obligation and commitment to serve in the military for a minimum of five years upon graduation.

Appointments to the service academies are extremely competitive. Because of this, I would also encourage you to also consider applying to the U.S Coast Guard Academy, Officer Training Schools and Reserve Officer Training Corps (ROTC) program as those options do not require nominations. **Please remember that completed nominations packets must be received in my Huntsville district office no later than 5:00 p.m. CST on Monday, October 25, 2021 to be considered for a Congressional nomination.**

If you have any further questions regarding the nomination process, please contact my service academy liaison Sandy Garvey in my Huntsville district office at (256) 551-0190 or via email at sandy.garvey@mail.house.gov. Thank you for your interest in our country's service academies.

Sincerely,

A handwritten signature in blue ink that reads "Mo Brooks".

Mo Brooks
Member of Congress
Alabama's Fifth District

GUIDELINES FOR NOMINATION TO U.S. SERVICE ACADEMIES

NOMINATIONS & APPOINTMENTS

A member of Congress may nominate up to ten candidates per vacancy and is not permitted to have more than five men or women in each academy at one time. Generally, a vacancy is created only by graduation. A nomination by Congressman Brooks does not guarantee an appointment to an academy.

Congressman Brooks has established a nomination advisory board that will review applications, interview prospective candidates, and make final selection of Alabama 5th Congressional District nominees to be submitted to the academies. Nominations are based on a “whole person” evaluation. Factors such as academic achievement, extracurricular activities, leadership skills, physical aptitude, character and motivation are taken into consideration and compared with other applicants. Nominations will be determined using the competitive method with all nominees submitted unranked to the academies, allowing equal opportunity for each candidate nominated from the district.

Some academies will begin to notify candidates of their admission status as early as January. All offers of appointment are generally sent out by mid-April.

ADDITIONAL INFORMATION

ACADEMIC QUALIFICATIONS

My office follows the academic requirements set forth by the Academies when making a nomination. Certain requirements are specified by current public law; however, the Academies look at the “whole person” when considering admission. Character, leadership, physical aptitude, medical fitness, goals and motivation are key components of a favorable evaluation for admission. The following are recommended areas of preparation and academic requirements:

College Preparatory Studies:

- Four Years: English, mathematics (includes: algebra, geometry, trigonometry)
- Three Years: social science (includes: history, economics and government)
- Two Years: laboratory science (includes: biology, physics and chemistry)
- Two Years: foreign language (preferred)

Class Rank and Class Percentage:

Candidates must be in the top 40% of their senior class. However, the most successful candidates are in the top 10-20% of their class. We understand that some high schools do not rank students.

Standardized Testing:

Although the academies do not establish minimums, candidates who score below the following will normally not be competitive:

- Military, Naval & Air Force Academies: SAT (560 Verbal, 600 Math)
- Merchant Marine Academy: SAT (500 Verbal, 550 Math)
- Military, Naval, Air Force and Merchant Marine Academies: ACT (22 Reading, 24 Math)

SAT & ACT TEST DATES

Standardized test scores are important elements of your application. I suggest taking one or both as soon as possible and we highly suggest taking the test multiple times to improve your scores.. The dates can be found on these websites:

<http://sat.collegeboard.com/register/sat-dates>

<https://www.act.org/content/act/en/products-and-services/the-act/registration.html>

Academies require official copies of your scores, while my office does not. I ask that you submit your scores where indicated on the congressional nomination form. Though it is not required, if you prefer to have official copies sent to Congressman Brooks’ office, the codes are: SAT: 1226, ACT: 7215.

EXTRACURRICULAR ACTIVITIES & LEADERSHIP

Participation and achievement in organized athletics, student body and class government, clubs and class extracurricular activities, scouting, JROTC, Boys/Girls State, church or other community-related activities demonstrate evidence of leadership potential. The greater level of involvement and leadership, the more points are awarded in your overall admissions evaluation with the academy. The service academies consider it more valuable to achieve distinction in a specific activity, rather than participation in a few activities without any evidence of leadership. If you have a part-time job that affects your level of involvement in school activities, the academies view your work experience as a demonstration of your leadership potential.

VACANCIES

Each U.S. Senator and Representative may have a maximum of five (5) nominees at each service academy charged to his or her office at any one time. A maximum of ten (10) nominees may be nominated for each vacancy. I make every effort to have a vacancy at each academy each year; however, this is not always possible.

DEPARTMENT OF DEFENSE MEDICAL EXAMINATION REVIEW BOARD

All Academies require students pass a Department of Defense Medical Examination Review Board (DODMERB). The Academy to which you apply will initiate the scheduling of an examination with the Department of Defense. Once taken, the examination may be used for all service academies. **A service academy medical examination must be passed before a candidate can be extended an offer of appointment.** The most frequently encountered problem areas include:

- Visual Acuity: All candidates accepted shall have an uncorrected visual acuity no poorer than 20/400 in either eye and must be correctable to 20/20.
- Color Vision: Color blindness, complete or partial, can be cause for disqualification.
- Asthma: Any history of asthma may also be cause for disqualification.

FREQUENTLY ASKED QUESTIONS (FAQs) FOR THOSE SEEKING A CONGRESSIONAL NOMINATION

What is a nomination?

Each year Congressman Brooks receives many inquiries from students who wish to attend a U.S. Service Academy from Alabama's Fifth Congressional District. [Title 10 of the U.S. Code](#) establishes two types of nominations: a) congressional, and b) military service-connected.

A student may seek a nomination from the following:

- Member of the U.S. House of Representatives who represents the congressional district in which the candidate resides
- Both U.S. Senators from his/her state
- The vice president of the United States

Students whose parents are military service-connected may also apply for a nomination from the president of the United States. For a presidential nomination, apply after July 1st of the year prior to admission and before January 31st of the year of admission. For a vice-presidential nomination, apply by October 31st of the year prior to admission.

Applicants to all service academies, except the United States Coast Guard Academy, are required to obtain at least one nomination by an official source. **The most successful candidates apply to all available nominating sources: Congressman Brooks, both senators, vice president and the president.** Students are encouraged to apply to all nominating sources for which they are eligible.

What are the basic eligibility requirements?

Each applicant for a nomination must meet the following eligibility requirements as of July 1st of the year of admission to an academy:

- You must be at least 17 years old, but not yet 23 years of age to the Military, Naval or Air Force academies and not yet 25 years of age for the Merchant Marine Academy.
- You must be a U.S. citizen.
- You must be unmarried, not pregnant, and without legal obligation to support children or other dependents.
- You must reside within the boundaries of the 5th Congressional District of Alabama.
- You must meet the medical, physical, and academic requirements of the Academy, in addition to possess good moral character.

Whom do I contact to request an application packet?

Students interested in applying for a nomination should contact Sandy Garvey at the Huntsville district office at 256-551-0190 or sandy.garvey@mail.house.gov in the spring of their junior year in high school. Congressman Brooks' application packet may be obtained at <http://brooks.house.gov>. Also, please note that it is extremely important that applicants complete the application process for each academy they are considering applying to.

What is the deadline for completing my applicant file?

The congressional nomination form and other required documents (see below) must be submitted to the Huntsville district office no later than **5:00 p.m. on October 25, 2021** to complete each applicant file.

How do I open an admissions file with the academies?

All students must contact the academies they are interested in attending directly to open an admissions file.

Is the application process the same for all of the service academies?

No. Although many of the qualifications are similar, each Academy has its own selection process for admittance. Applicants must complete the application process for each Academy that they are considering attending. Visit the Academy of your choice via the websites noted for each academy's admissions qualifications. Nominations are required for all except the U.S. Coast Guard Academy.

If I receive a nomination will I automatically be selected by the Academy?

No. You will be placed among a select group of nominees, and the Academy of your choice will make the final decision. If selected, you will receive an offer of admission (an appointment) directly from the Academy.

What if I choose more than one academy? Will I be limited to a single nomination?

No. It is possible to receive more than one nomination depending on how well you have competed among this year's pool of candidates. It is recommended to apply to at least two academies. It is also recommended to apply to both the Merchant Marine and Coast Guard academies in addition to the Air Force, Naval and Military academies. **The most successful candidates apply to at least three academies, thereby giving themselves the most option of earning an appointment.**

When will I know if I have been offered an appointment by an academy?

Some academies will begin to notify candidates of their admission status as early as January. All offers of appointment are generally sent out by mid-April. The Academies will award appointments after the candidate file is reviewed and the candidate is determined "fully qualified." Academies review files weekly, so it is in the candidate's best interest to have their file at the Admissions Office completed by early January.

How many service academies are there?

There are five. Three reside within the Department of Defense:

- The U.S. Military Academy at West Point, New York
- The U.S. Naval Academy at Annapolis, Maryland
- The U.S. Air Force Academy at Colorado Springs, Colorado

One resides within the Department of Transportation:

- The U.S. Merchant Marine Academy at Kings Point, New York

One resides within the Department of Homeland Security

- The U.S. Coast Guard Academy at New London, Connecticut

Can a family member submit letters of recommendation on my behalf?

No. All recommendations must come from outside of your immediate or extended family. Typical recommendations are from principals/teachers, counselors, scout leaders, clergy, employers and athletic coaches. Recommendations must be submitted in a sealed envelope signed across the flap and returned to the applicant for inclusion in his/her application packet. They may also be mailed directly to Congressman Mo Brooks' Huntsville district office.

What is a Letter of Assurance?

A Letter of Assurance (LOA) is a letter sent to the candidate from the academy admissions office offering the candidate a conditional appointment provided the candidate successfully completes the application process, the medical review by the Department of Defense Medical Review Board (DoDMERB), the physical fitness assessment and receives an official nomination. Letters of Assurance are conditional and subject to review through the entire application process.

Candidates receive Letters of Assurance based upon outstanding ACT/SAT scores early in the process, in addition to other information the candidate has submitted to the academy admissions office.

What happens after my file is complete?

Qualified applicants who have submitted all required documents by the deadline will be scheduled for an interview with Congressman Brooks' Service Academy Nomination Advisory Board. Interviews will be conducted in November 2021 and nominations will be extended shortly thereafter.

What documents must be included in my applicant file?

A complete file consists of the following items:

- Congressional nomination form
- High school and, if applicable, college transcripts
- Résumé
- Essay
- Three (3) completed personal recommendation forms completed by adult non-family members (i.e. teacher, counselor, employer, coach, clergy, scoutmaster).
- Recent color picture in the space provided on the third page of the nomination application

Why does Congressman Brooks use a nominating board?

This board evaluates applicants and recommends candidates for nomination. This well-qualified, non-partisan board will ensure a fair and impartial process. Most members of this board are academy alumni.

What criteria does the board use in selecting candidates?

Nominations are based on a "whole person" evaluation. Factors such as academic achievements, extra-curricular activities, leadership skills, physical aptitude, character, motivation and interview are taken into consideration and compared with other applicants.

What method of nomination does Congressman Brooks' office use?

Nominations will be determined using the competitive method with all nominees submitted unranked to the academies, allowing equal opportunity for each candidate nominated from the district. This method allows Congressman Brooks to nominate up to 10 qualified candidates for each available opening. The academy itself will make the final selection.

How do I open an admissions file with the academies?

All students must contact the academies they are interested in attending directly to open an admissions file.

Do I have to have all the required paperwork collected before submitting it to Congressman Brooks?

No. You can either submit your entire candidate nomination packet to Congressman Brooks' office or you can choose to submit individual items as you receive them. Congressman Brooks' service academy liaison, Sandy Garvey, will inform students of any items missing from their nomination packet before the deadline.

Does Congressman Brooks' office use SAT/ACT super scores?

Yes. Congressman Brooks' office uses SAT/ACT super scores in the nomination process. Super scoring means that our office takes your best section scores from all the test dates you submit. Because of this, it is highly recommended that students take the tests multiple times to improve your scores.

Must I have the SAT/ACT testing centers send my scores to Congressman Brooks' office?

No, instead you may submit your SAT/ACT scores where indicated on the congressional nomination form in the Educational Information section. Note: If you have taken **more than one** SAT/ACT test, include highest section score and test date. Even though it is not required, if you prefer to have official copies sent to Congressman Brooks' office, the codes are: SAT: 1226, ACT: 7215.

For more information, please visit Congressman Brooks' website located at <http://brooks.house.gov>.
